(54) Title: ABSORBENT ARTICLES HAVING WETNESS-INDICATING CHARACTER GRAPHICS PROVIDING AN INTERACTIVE TRAINING AID

(57) Abstract: An absorbent article having an outer cover which has an interior surface and an opposite exterior surface; an absorbent assembly disposed on the interior surface; a permanent character graphic disposed on the outer cover; a permanent object graphic disposed on the outer cover; wherein the permanent character graphic is interactively interrelated with the permanent object graphic; and further having at least one active character graphic, wherein said active character graphic is related in subject matter with said permanent character graphic and said permanent object graphic. The active character graphic may become significantly more visible or invisible when exposed to urine. Alternatively, the active character graphic may become significantly more visible or invisible with the passage of time when exposed to the environment but not exposed to urine.
