Declarations under Rule 4.17:

- as to applicant's entitlement to apply for and be granted a
patent (Rule 4.17(ii))

Published:

- without international search report and to be republished
upon receipt of that report (Rule 48.2(g))

(54) **Title:** A REGULATION-COMPLIANT HOLDING DEVICE FOR STORING OR TRANSPORTING A NON-COMPLIANT
CONTAINER

(57) **Abstract:** According to an embodiment, a method of storing or transporting a sample comprises: inserting a sample container into a holding device, wherein the sample container contains the sample, wherein the sample container does not meet United States transportation regulations, wherein the holding device meets or exceeds United States transportation regulations, and wherein the holding device comprises a chamber and an opening; and storing or transporting the holding device. According to another embodiment, a holding device for containing a container comprises: a chamber; and an opening, wherein the holding device meets or exceeds United States transportation regulations, wherein the container contains a sample, and wherein United States regulations require the sample to be stored or transported according to the United States transportation regulations.
