

Courseware Outline

In-class Exercises

1. Filling in the words according to the content of the text.

The white line quickly moved towards us, gradually elongating and thickening, crossing the river surface. As approaching, white waves roll and form a water wall with a height of over two zhang. The tide is getting closer and closer, like millions of white war horses, vast and mighty, rushing forward in unison; the sound is like a mountain collapsing and the earth shattering, as if the earth was shaking and trembling.
