(54) Title: **ADHESIVE PRINTING FOR DISPOSABLE ABSORBENT ARTICLE**

(57) Abstract

The present invention relates to a process for making disposable absorbent articles comprising two materials (11, 21) which are adhered to each other. The process utilises on-line roll printing (30) to provide the adhesive (2). This adhesive printing process can be used to provide novel shaped panty fastening adhesives but also other shapes or adhesives useful for disposable absorbent articles.
