Figure 1 illustrates a medical device 400, which includes a display 401 and a table 415. The display 401 shows patient information for "Medi Whale" (Patient ID 1017960, Date 20160726) and two retinal fundus images 403. The left image 405 is labeled "Right" and the right image 407 is labeled "Left". Each image has a legend with "Opacity", "Glaucoma", and "Retina" options. Below the images are "Doctor's Note" input fields with checkmarks. To the right of the display are "Upload" and "Delete" buttons. The table 415 lists patient data, including Patient ID, Date, and a status column 419 with checkmarks and symbols.
