

ABSTRACT OF THE DISCLOSURE

DISPLAY CONTENT MANAGEMENT DEVICE AND DISPLAY CONTENT
MANAGEMENT SYSTEM

A display content management device that manages display content to be displayed on an in-car display device of an elevator includes an analyzer that analyzes collected data on the elevator containing operation data on the elevator to determine recommended display content that is recommended for display on the in-car display device based on a result of the analysis, and a communication part that sends the recommended display content to a terminal device operated by a user who serves as a caretaker of the elevator.
