Hi Jin Xuan,

I have accidently raised a deficiency letter to agent for clarification as the marked-up copy was not matched with the description with claims (original copy). Due to my overlooked that agent had filed CM4 corrections on 17/2/23 before the PF13 filed on 13/3/23.

I seek your kind assistance to revert the PF13.

So sorry for the inconvenience caused.

Thanks Jin Xuan

Best Rgds
Jenny
