Substitute Sheet
FIG. 11 RO/AU

The screenshot shows a web application window titled "Human Actions Management" with a sub-tab "System Actions Mana". Below the title bar, there are two buttons: "Refresh" and "New Sheila Human Action". The main content area is a large rectangular box containing a list of items: "Level 0 - Greeting" and "Level 0 - idle".

FIG. 13

The screenshot shows a web application window titled "The Details of Sheila Human Action". It contains a form with the following fields and values:

Id	1
Label	Level 0 - idle
Description	
Response Type	text
Timeout	60
Parent Id	
Alias Id	

Below the form, there are two buttons: "Edit Human Action Entry" and "Delete Human Action Entry".

Below the buttons, there is a section titled "The expected human responses" with three buttons: "Refresh", "New Sheila Human Response", and "Delete Human Response".

At the bottom, there is a table with three columns: "Id", "Response value", and "Sheila Next Action". The table is currently empty.
