CLAIMS

What is claimed is:

1. A capsule consisting essentially of a grape seed extract, an acerola cherry extract, an olive leaf extract, a marigold extract, a green tea extract, a pomegranate extract, a yeast beta-glucan and a soya bean extract.

2. The capsule of claim 1, consisting essentially of 10 wt% - 50 wt% of the grape seed extract, 5 wt% - 30 wt% of the acerola cherry extract, 5 wt% - 30 wt% of the olive leaf extract, 1 wt% - 20 wt% of the marigold extract, 1 wt% - 20 wt% of the green tea extract; 1 wt% - 20 wt% of the pomegranate extract; 1 wt% - 20 wt% of the yeast beta-glycan; and 1 wt% - 20 wt% of the soya bean extract, based on the total weight of the capsule.

3. The capsule of claim 1, wherein the capsule consists essentially of about 250mg grape seed extract, about 180mg acerola cherry extract, about 160mg olive leaf extract, about 90mg marigold extract, about 80mg green tea extract, about 80mg pomegranate extract, about 80mg yeast beta-glycan and about 80mg soya bean extract.

4. The capsule of claim 1, wherein the capsule consists essentially of about 25% grape seed extract, about 18% acerola cherry extract, about 16% olive leaf extract, about 9% marigold extract, about 8% green tea extract, about 8% pomegranate extract, about 8% yeast beta-glycan, and about 8% soybean extract, based on the total weight of the capsule.
