A diagram of a smartphone screen displaying a 'My Banking App' interface for uploading KYC documentation. The screen has a dark header bar with two white circles on the left and a white bar in the center. The main content area is white and contains the following elements: a title bar with the label '402' and the text 'My Banking App'; a heading 'Please Upload KYC Documentation'; two buttons, the first with label '404' and text 'ID Documentation', and the second with label '406' and text 'Proof of Address'; a checkbox with label '408' and the text 'I agree with the use of this documentation for eKYC verification purposes.'; and a final button with label '410' and text 'SUBMIT'. The smartphone has a dark bezel and a white home button at the bottom.
