ABSTRACT

NOVEL CHIRAL SYNTHESIS OF *N*-ACYL-(3-SUBSTITUTED)-(8-SUBSTITUTED)-5,6-DIHYDRO-[1,2,4]TRIAZOLO[4,3-a]PYRAZINES

The present invention relates to a novel chiral synthesis of *N*-acyl-(3-substituted)-(8-substituted)-5,6-dihydro-[1,2,4]triazolo[4,3-a]pyrazines of Formula I, avoiding the use of protection/deprotection steps.
