FIG.14

A cross-sectional view of a multi-layered structure. The structure consists of several layers: a top layer (58), a middle layer (54), and a bottom layer (52). Two vertical components (85) are shown, each with a base (83) and a top part (109). The components are positioned within the middle layer (54). The bottom layer (52) is shown in two sections, with a dotted pattern (51) indicating a specific material or structure. The labels 58, 54, 85, 83, 109, 108, 52, and 51 are used to identify the various parts of the structure.
