(54) Title: SYSTEM AND METHOD OF OWNER CONTROL OF ELECTRONIC DEVICES

(57) Abstract: A system and method of owner control of an electronic device are provided. Owner identification information, such as data integrity and source authentication information, is stored on the electronic device. Received owner control information is stored on the electronic device where the integrity of the received owner control information is verified and/or the source is authenticated using the owner identification information. In one embodiment, owner identification information comprises an owner signature private key.
