

FIG. 1

AMF: Access and mobility management function
 UPF: User plane function
 5GC: 5G core network
 gNB: Next generation NodeB
 ng-eNB: Next generation evolved NodeB
 NG-RAN: Next generation radio access network

FIG. 2

MME: Mobility management entity
S-GW: Serving gateway
eNB: Evolved NodeB
E-UTRAN: Evolved universal mobile telecommunications
system terrestrial radio access network
