

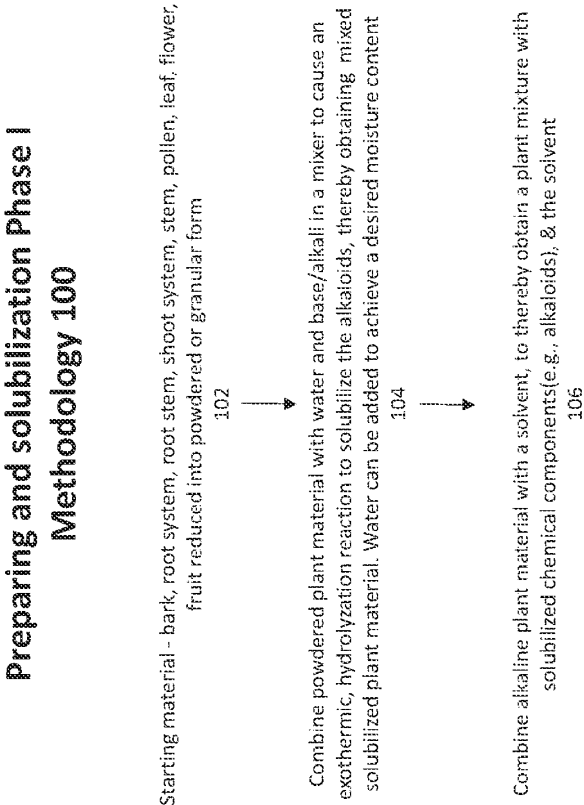

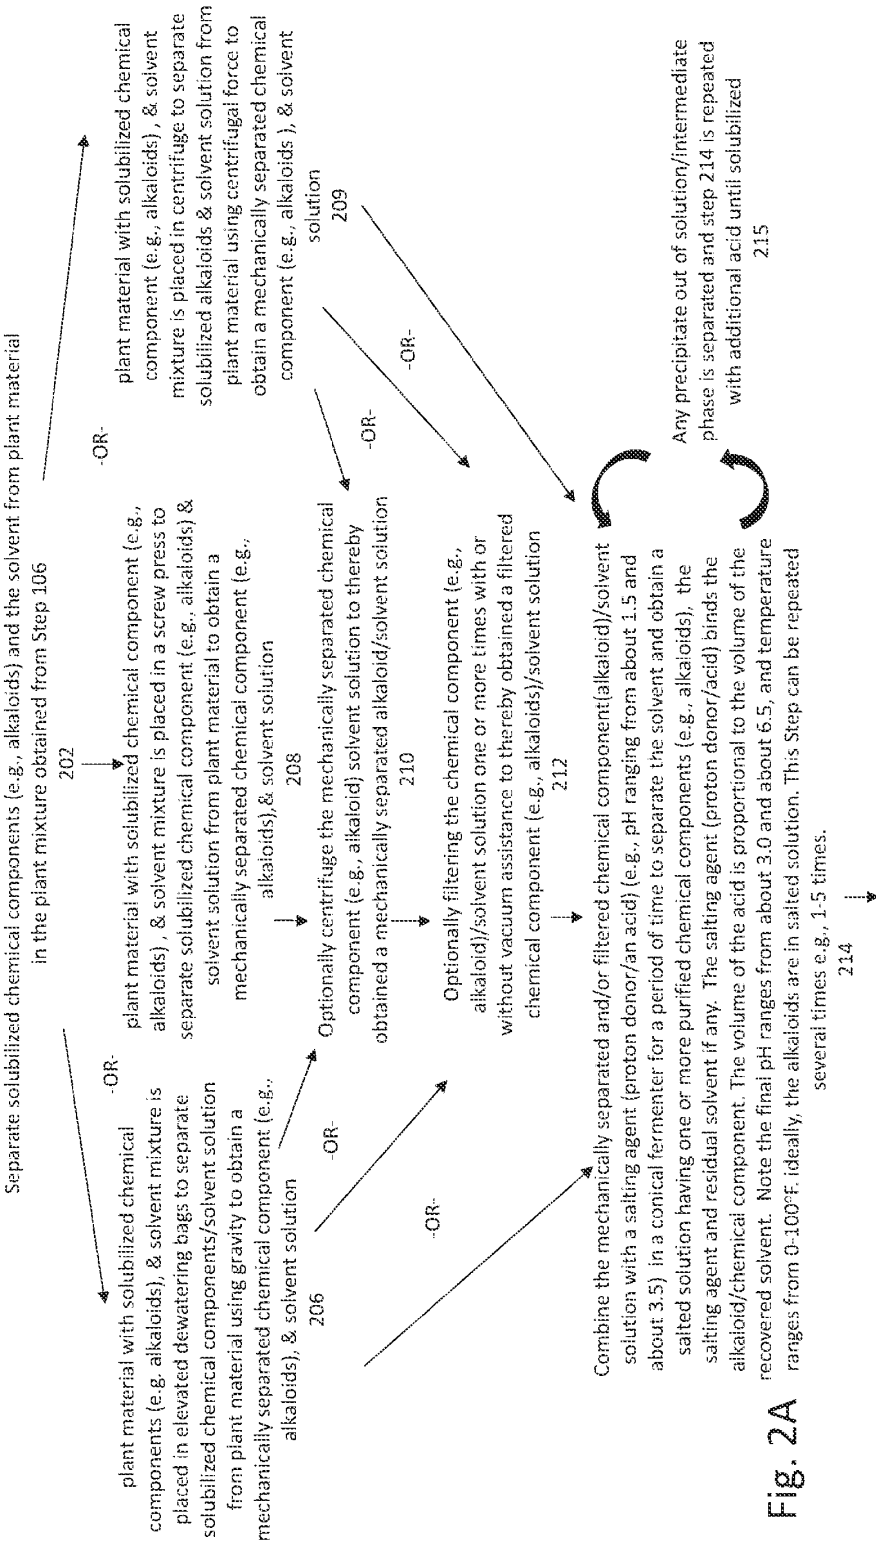

Fig. 1

Separation and Salting Phase 2
Methodology 100

Separation and Salting Phase 2 (continued)
Methodology 100

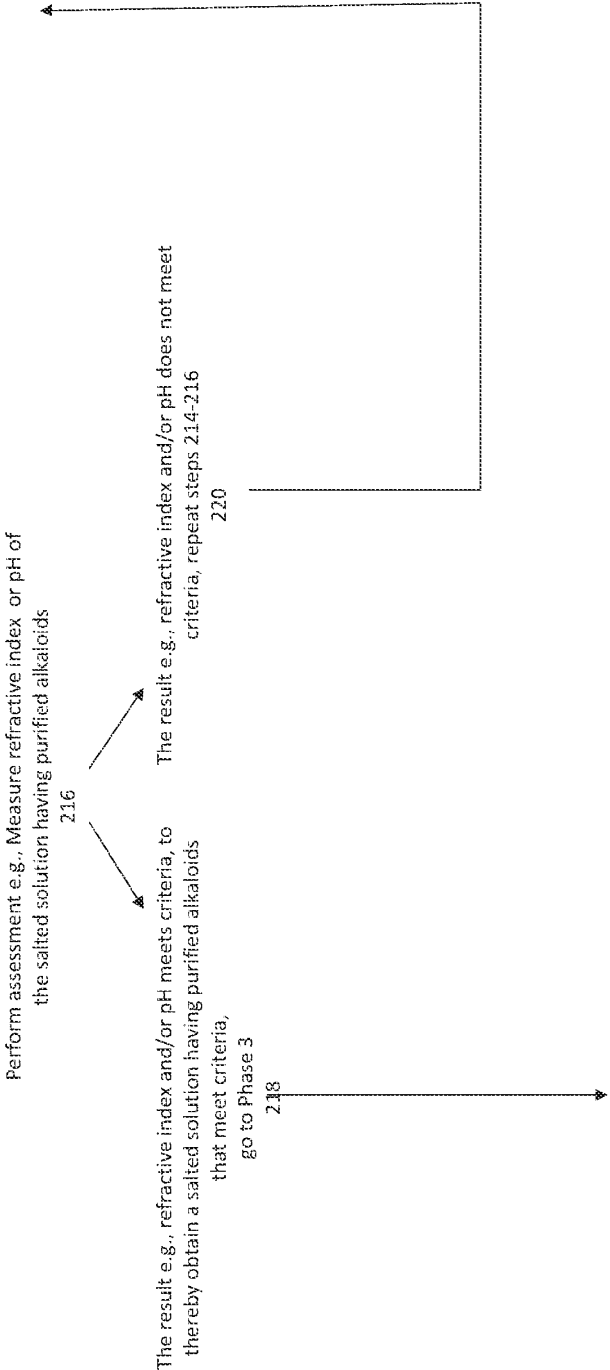

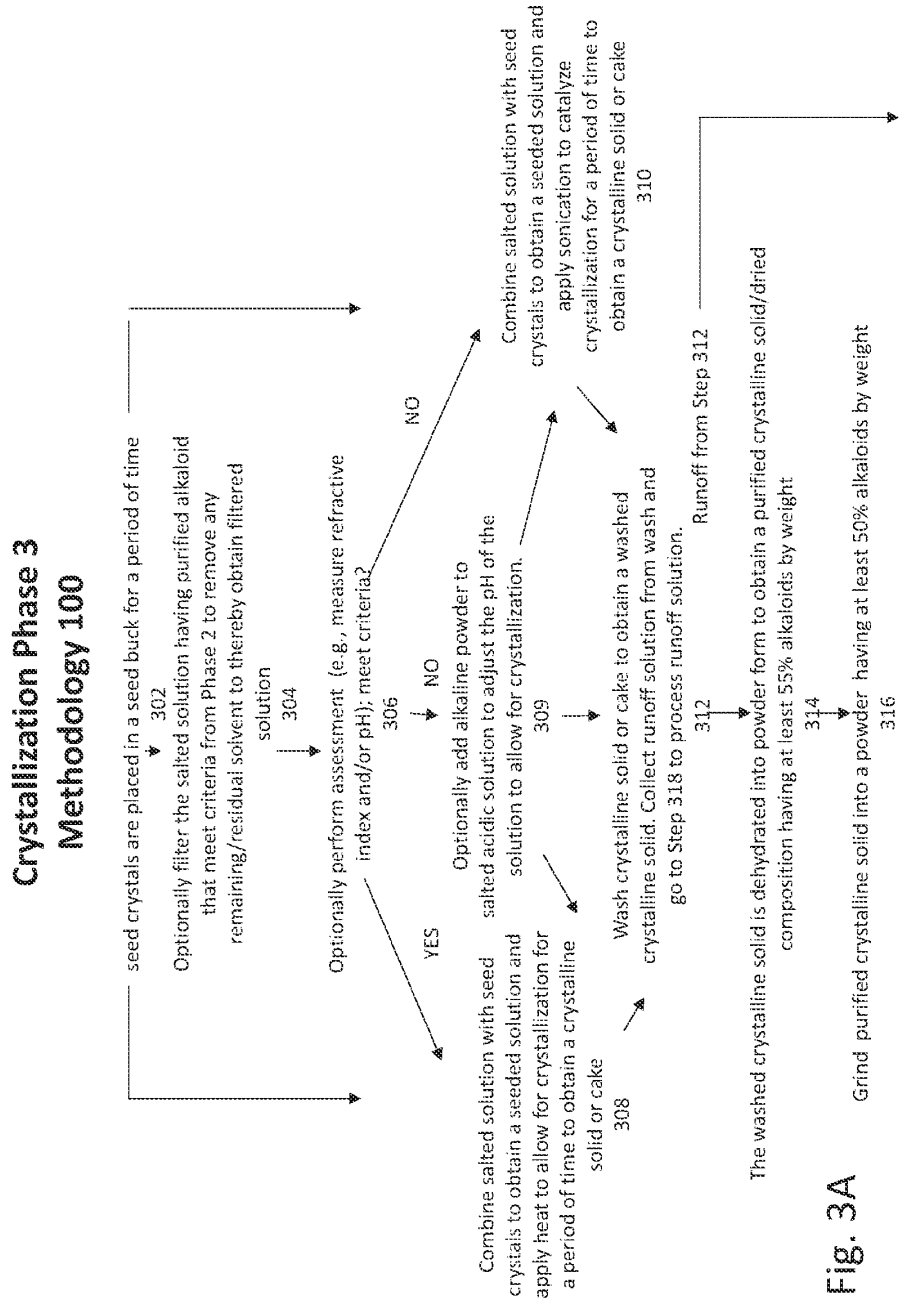

Fig. 2B

Crystallization Phase 3 (Continued)
Methodology 100

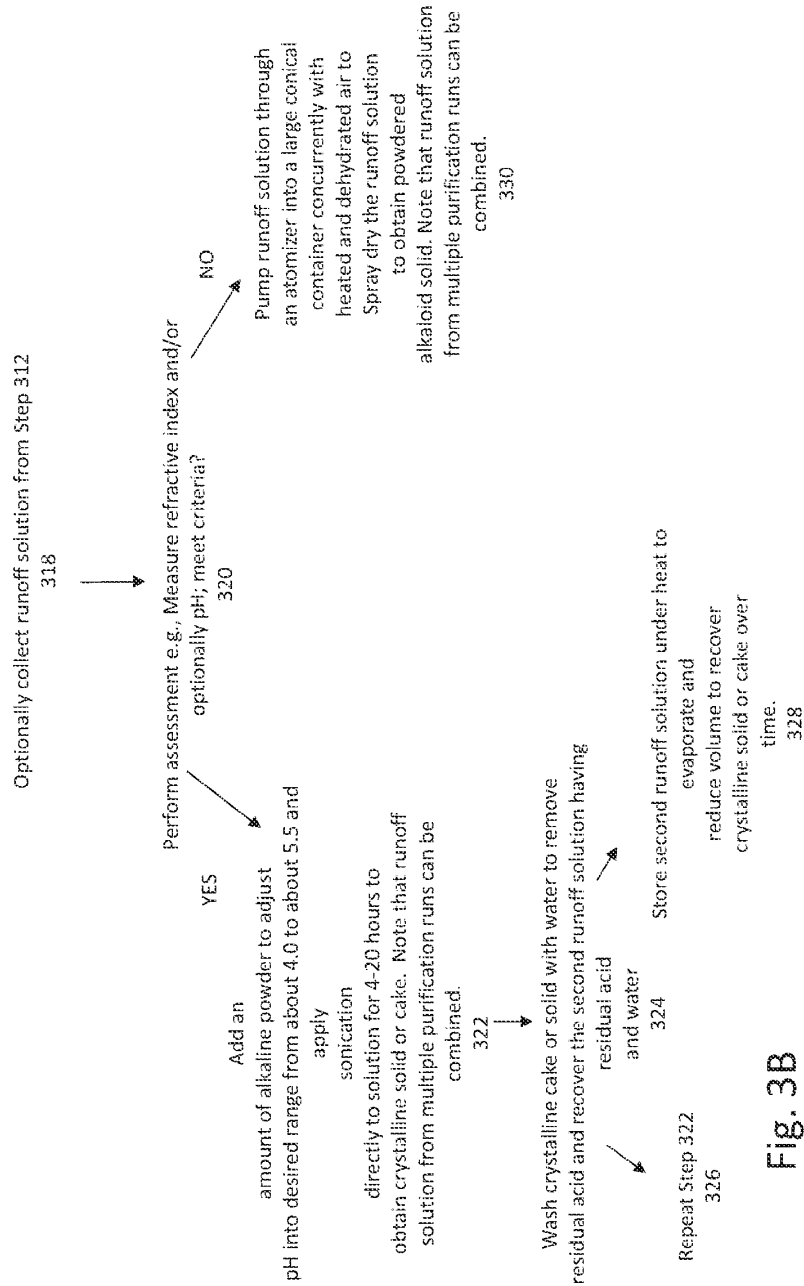

Fig. 3B

**Example - Preparing and solubilization Phase I
Methodology 100 Application**

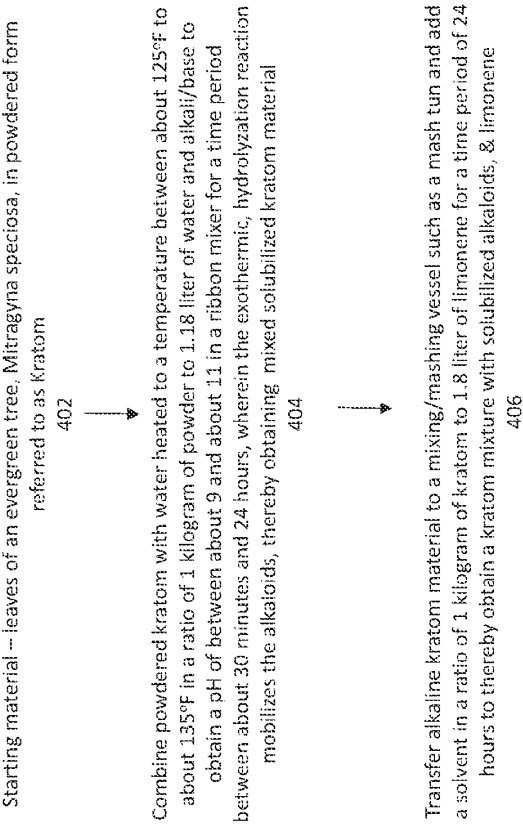

Fig. 4A

Example -Separation and Salting Phase 2
Methodology 100 Application Continued

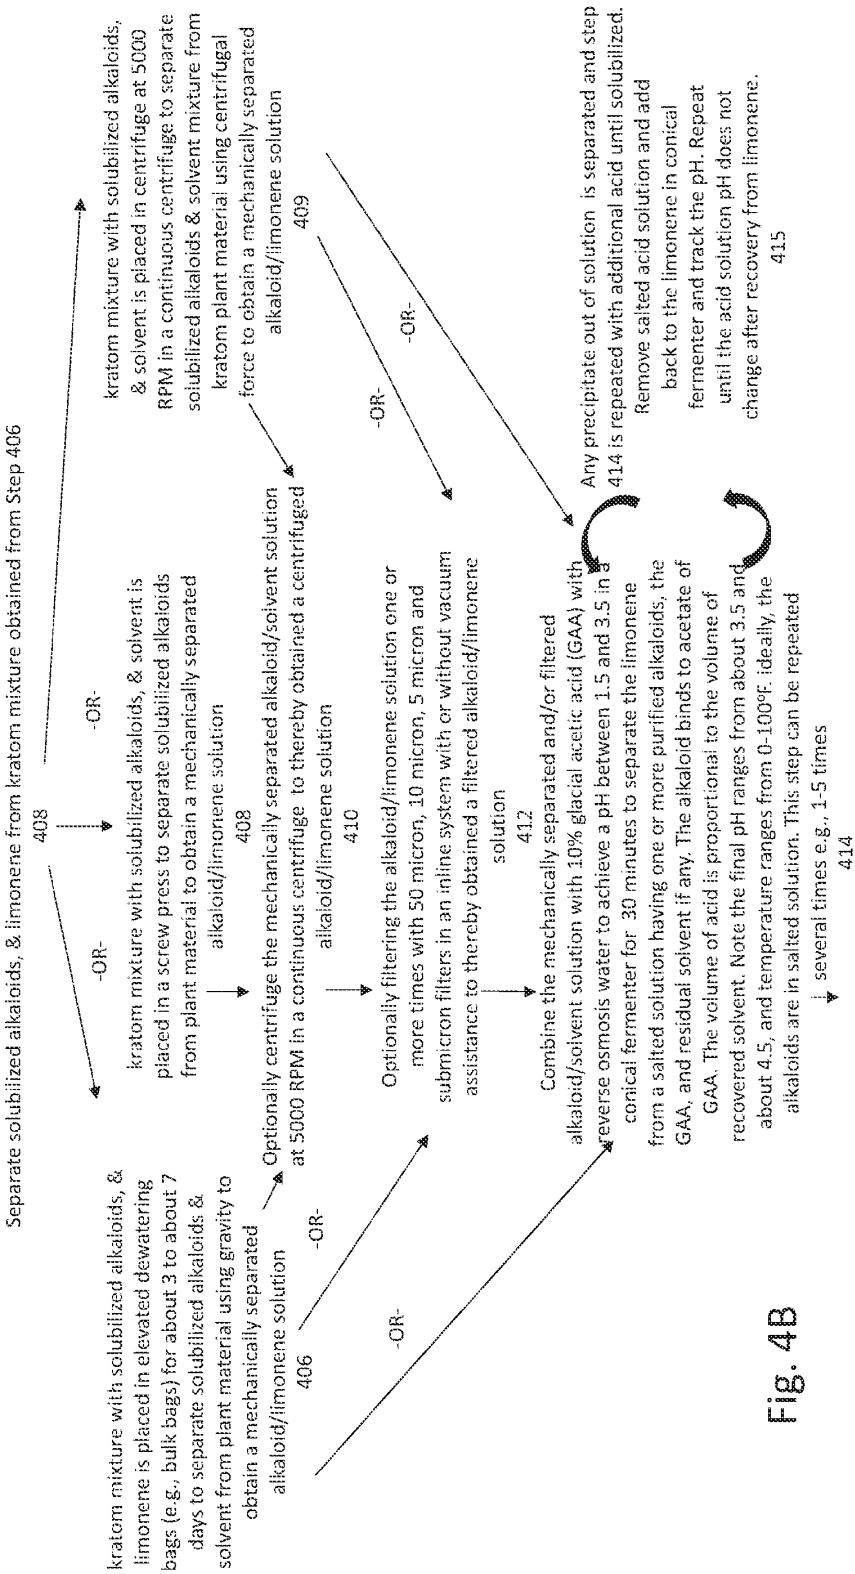

Fig. 4B

**Example -Separation and Salting Phase 2
Methodology 100 Application Continued**

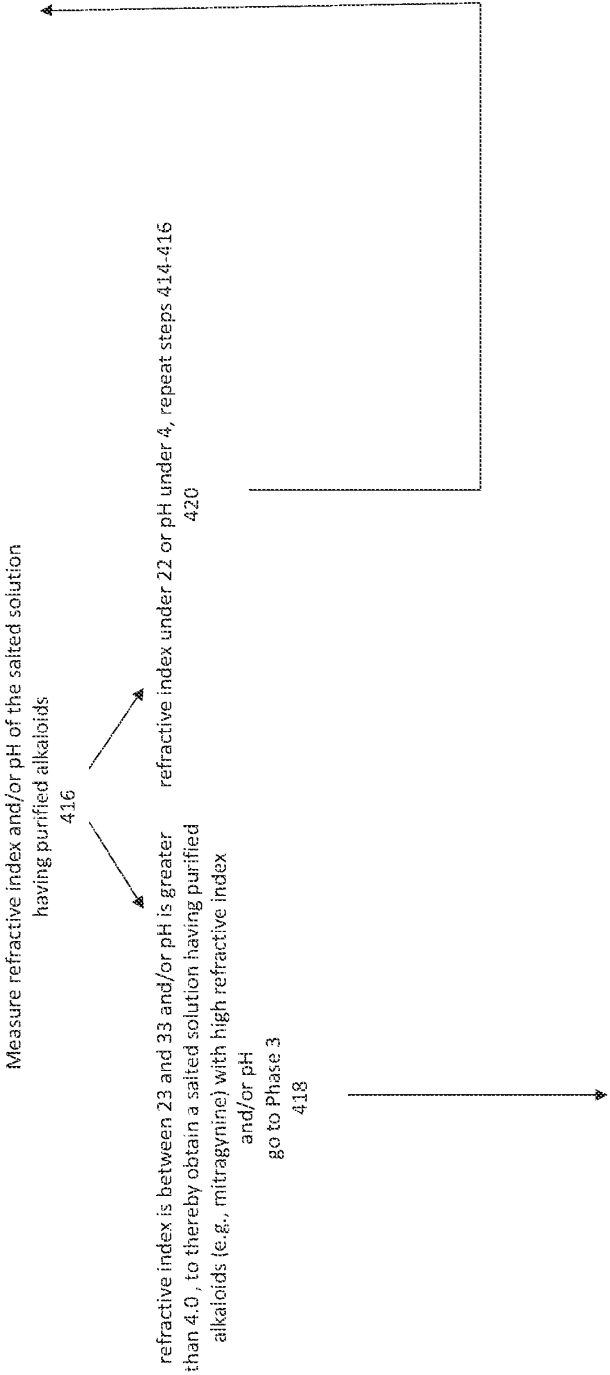

Fig. 4C

Example Crystallization Phase 3

Methodology 100 Application Continued

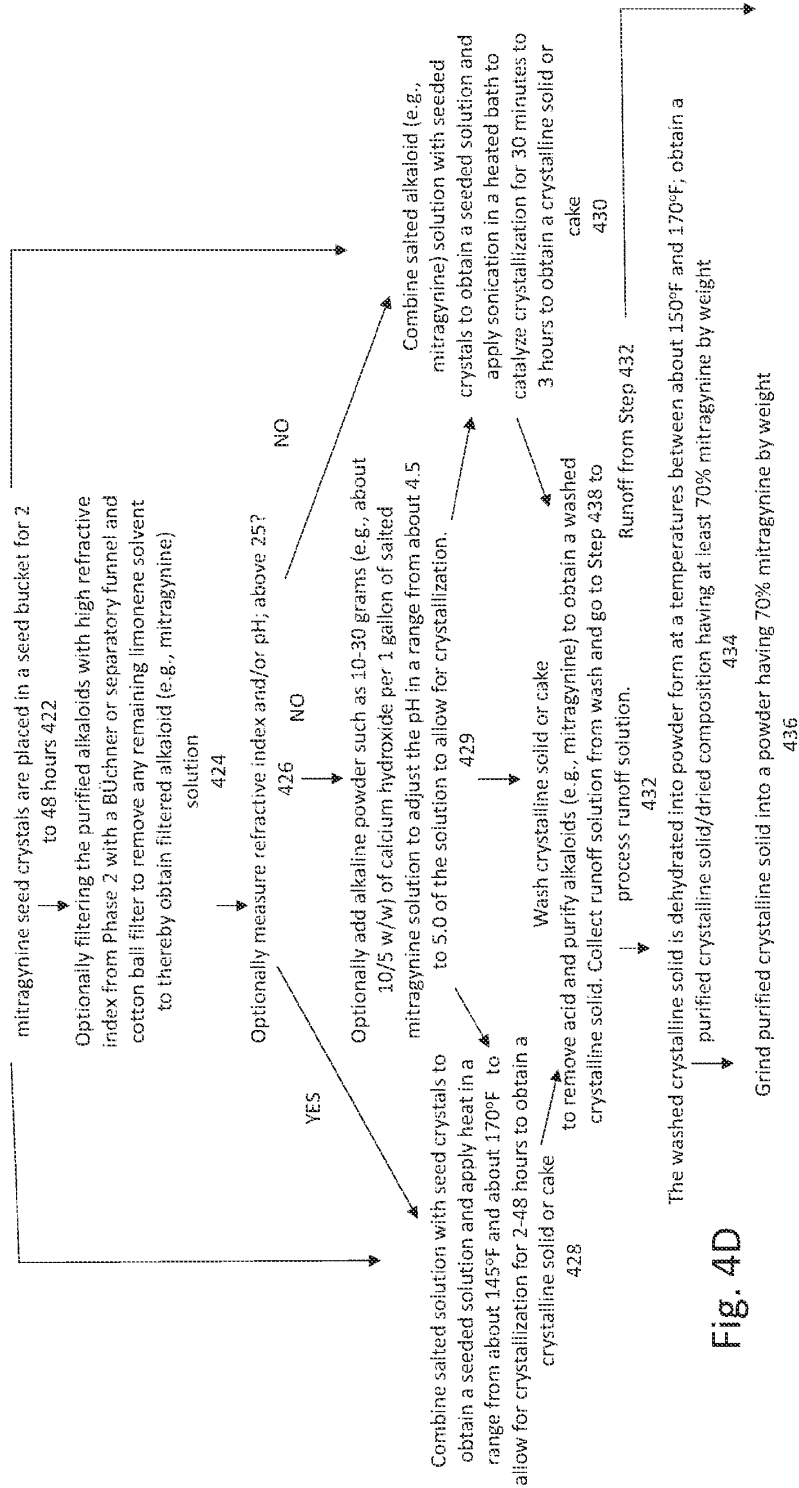

Fig. 4D

Example Crystallization Phase 3 (Continued)
Methodology 100 Application Continued
